Board Members,
Hi! I hope that you are doing well. We have received news from the Governor's office that we will have two new Board members in the very near future (potentially as soon as the end of this week). We do not yet have names to share, but we will do so as soon as we have official news.

Both new members will fill public member slots. One will fill the vacancy left by Member Tovar. The other will fill Member Clark's seat.

I am sad to say that Member Clark's term has ended. I am incredibly thankful for her service to the Board and the children of Arizona. On a personal note, Member Clark has always been incredibly kind and supportive of me and the staff and she will be truly missed.

As soon as we have official news on the specific folks who will fill these seats, we will reach out.

Thank you,

Sean Ross
